What is the Communities Network

Provides a platform for the communities of Leicestershire to talk to each other about initiatives, projects, and activities, which demonstrate positive action in your local community.

The Network can be used to:

- share opportunities to get involved in local projects
- make contacts and learn from each other
- raise awareness of issues affecting us all and encourage collaboration

Previous Sessions

- Cost of Living Support
 - Strength based approaches
 - Climate Change inc visits to community allotments
- ..and anything else that is important to you
