

Member role description

Role Engagement Panel Member

Organisation Leicestershire County Council – Adult Social Care

Activities

Are you interested in helping to improve and increase engagement and co-productive activity within Adult Social Care? We are looking for Engagement Panel members to help us:

- Review and critique engagement plans
- Share ideas about how and where engagement activities can happen
- Bring insight of lived experience to help shape engagement activity
- Draw attention to the wide range of issues affecting people living in Leicestershire
- Approve engagement plans for delivery
- Support/work with co-production projects

Personal development and training opportunities

Members will be supported to:

- Increase their confidence and communication skills through public speaking training and panel discussions
- Be part of a group contributing to improved engagement and co-production activity
- Learn new transferrable skills and enhance their CV
- Meet new people and be active and engaged in the community

Members are welcome to bring someone to support them in their role.

When? Once a month for 2 hours

Where? County Hall and on-line from home

Supported by: The Strategy and Planning Team (Adults and Communities Department)
